

## How will my exam grades be awarded this summer?

Your teachers will give the exam board a **centre assessed grade** – the grade we think you would have got in the summer.

It will be based on classwork, homework, mock exams and any coursework you have done.

The Government have asked us **not** to ask you to do any more assessments or coursework.

Your teachers will also have to **rank** the students for each grade.

E.g. Who is most likely to get Grade 5? Who is least likely to get Grade 5?

We are **not** allowed to share this information with you.

The exam boards will use this information to award you a grade.

They will also look at how well the school did last year, and how well you did in your last exams: (SATs or GCSEs).

They may change the grade that we give to them.

## What happens then?

You will get your results in the summer.

We hope that this will be earlier than the normal results day, but we don't know yet.

You will be able to use your results to go to sixth form college or university in the normal way.

They will be treated exactly the same as regular exam results by everybody.

If you are unhappy with your results, you will be able to appeal. We don't know the details yet.

Or you will be able to sit exams for real in the autumn. We don't know the dates yet.
