Resolutions or Aspirations

By Mr Keeling, Assistant Headteacher

Much like the whole of 2020, the end to term 2 in the lead up to the Christmas Holidays feels slightly different. We are all used to getting together to mark the end of another calendar year, to share stories of the past 12 months, and to come together as a school community in the Sports Hall to wish each other well until the New Year.

This year – like with so many other things – we can't gather in that way. What we can do is look to what next year may bring, and with that comes the ritual of resolution making. We've all been there as the clock strikes midnight on December 31st promising to not eat chocolate for a whole year; or to go for a run every day!

A resolution is defined as the firm decision to do or not do something, and if 2020 has taught us anything it is how quickly decisions on what we can and can't do can so quickly be taken out of our control. So I have been searching for something a little less black and white than resolution making. After all, as soon as you break a resolution it feels like a failure. That left over Quality Street you accidentally have on New Year's Day; or the morning you hit snooze on the alarm because you can hear the rain pummeling your bedroom window.

This year when Auld Lang Syne kicks in I will be making New Year's aspirations. Things that I hope to achieve in 2021, things that I can work towards. Working for something implies that there will be failure along the way, things that go wrong, obstacles to overcome. But with an aspiration those blocks and bumps in the road are all part of the journey. And that is very much more in keeping with how life, and how school really works. A mixture of triumphs and failures but with an end aspiration in sight, an aspiration that needs both to happen for learning to progress.

So I hope that you may all think of the aspirations you might have for yourself in 2021. And in the absence of a foot stomping gathering on the last day of term. Have a wonderful break, look after yourselves and your families, and keep yourselves safe until we see you next year.

Winter Wellbeing Kindness at Christmas

For all of us this year, the Christmas period will look different in many ways.

However, aside from presents, Christmas dinner, and Elf the movie, essentially, it is kindness, good will, and generosity of spirit that are at the heart of the festive season. Within our wonderful community we can all play a small part in helping to keep this notion alive, and preserve the essence of what Christmas is really about. This can be done in simpler ways then you may have thought possible. The "gift" of kindness, whether it be towards a friend, a family member, or a member of the public, can spread some cheer during this alternative festive period. Please see the next page for a few ideas - the list endless.

Something small could make the biggest difference to someone else this Christmas time, and you too can enjoy fulfilment that the gift of giving generates.

Music for Mental Health – Create a Winter Song Playlist

Music is a powerful tool to connect with emotions. Most of us have experienced a sudden flashback to an event, person or place upon hearing a certain piece of music. Music stimulates many areas of the brain at once and often people find that songs which are specific to them, bring peace and happy memories to the surface.

Try putting together your own winter playlist that you can listen to when you need a lift.

Use a variety of diverse tunes that are all personal to you and take you back to a happy memory.

Listen to it in the car, or when you're out for a run, whilst you're doing the washing up or simply on a dull and cold evening indoors.

Second Term Successes!

In the ever-changing situation we find ourselves in, our pupils continue to adapt and thrive. Term 2 has been a busy one to say the least. Here's a glimpse at what our wonderful students have been up to...

Maths

Dr Staley - Teacher of Maths and UKMT Coordinator.

This year's Senior Maths Challenge results are easily one of the best sets of results we have ever had!

The Year 11's sat a test designed for 6th formers, and the following Year 11's have done exceptionally well earning themselves the named certificates. They should be very proud of themselves as indeed we are.

Languages

Mrs McGarrick - Curriculum Team Leader for MFI

Bonjour / Hallo!

We are missing our MFL trips here in the Languages department, so

we thought we would share with you some of Ms Thirlwall's ideas of how to stretch and challenge yourself in Languages (from the comfort of your own home...)

Consolidate vocabulary you learn in class

Please visit: www.linguascope.com

Username: wallingford Password: wunderbar

This website contains a wide range of topics we cover in class from Year 7 up to Year 11 at the Beginner and Intermediate levels. This is for nouns only and is a really fun way to practice spellings of words for vocabulary tests as well as learning how to pronounce them. The site also has its own tests and you can even print a certificate!

www.quizlet.com

Setting up an account on Quizlet is free and you will find hundreds of vocabulary and grammar items to practice here in fun and interactive ways.

You might also try Quizlet Live in your lessons!

Read for pleasure

Purchase a bilingual reading book – this is a great way to learn new words using a story with which you are already familiar.

Have a look at <u>www.thefablecottage.com</u>

This website is free and you can read fairytales in French, German, Spanish and Italian. It breaks each story into small sections and you can practice your translation skills, then look at the answers!

Explore new grammar

If you enjoy grammar and feel you'd like to learn more complex structures, why not have a look at: www.languagesonline.org.uk

This website is a great resource for the key tenses and difficult areas of grammar. You can match verbs together and practice your endings here. It is quite a formal website, but a really rigorous way to practice your verbs.

Watch films and TV shows in the language you are studying

Language Learning with Netflix is a free Google Chrome extension that allows you to watch films and TV shows with subtitles of the language you are studying. This is fantastic for learning new words and also great listening practice.

Do some French/German baking!

Here is a recipe for some German Lebkuchen: www.deliciousmagazine.co.uk/recipes/spiced-lebkuchen/

And another one for a French Bûche de Noel: www.bbcgoodfood.com/recipes/buche-de-noel Thank you very much to Ms Thirwall for these fantastic ideas!

In other MFL news: we are all really proud of Ms Maly for gaining her Masters in Education from Oxford University which she passed with a Merit. Very well done to her!

We would also like to say a big thank you to Ms Juin-Rimbert and Mrs Keeling who are our MFL interns this year and we are looking forward to working with them full-time from January onwards.

Joyeux Noël / Frohe Weihnachten

Art

Mr Bowen – Head of Expressive Arts

Merchant Taylors Photography Competition

The winners and runners-up in this year's Merchant Taylors Photography Competition were decided at the beginning of December by the Company's Master, Mrs Jane Hall, and two of her Wardens, Mr Peter Magill and Mr Martin Robb. After a lengthy and lively discussion of the excellent photographs that had been shortlisted-from 17 schools - their choices were as follows:

Winner of the Junior Category - Fingers crossed by Jamila Makoka (7SMD) and Winner of the Staff Category - Turn your face to the sun by Mrs Pike.

They will both receive £100 as well as national fame and bragging rights that their artwork was exhibited in London! Please congratulate them if you see them. It's a big deal - did I mention that there are 17 schools involved in this competition? The Art department is absolutely thrilled!

Year 11 Artists

Two Year 11 artists who have been working particularly hard in the last few weeks are Phoebe and Lucy. Phoebe created a detailed and sophisticated copy of Vermeer's beautiful

'Girl with a Pearl Earring' in her sketchbook.
Lucy also created a magnificent painting of a hand reaching into the sky. Incredible work from just two of our incredible Year 11 artists. Lots more to come!

Year 8 Ceramics

Humans started using clay about 30,000 years ago. 8SBO started using clay last week. And it looks like they enjoy it and they have some skills too. For example - Tom did brilliantly and his arm was in a sling!

English

Ms Ward – Teacher of English

This term began with a flurry of assessments for KS3 and Y10. We were particularly impressed by the dedication shown by those who put considerable time and effort into their preparation; well done! Although we continue to teach from the front, we are finding new and exciting ways to develop English learning. This is helped tremendously by the students' willingness to adapt and have a crack at new things: from singing animal anthems aloud as a class to developing speaking and listening skills by playing 'Just A Minute.'

Y7 have begun studying Animal Farm. We are continually impressed with how the students tackle tricky political concepts with enthusiasm and tenacity. Who knew we had so many experts on mid-century Russian history? It is always edifying to see how thoroughly enraged students become about the injustices faced by the animals on the farm. The empathy and compassion which they develop as we read is wonderful to see.

We have begun reading a plethora of ballads with Y8, including The Rime of the Ancient Mariner. Our students are adventuring tempestuous seas, supernatural crewmates, and spiritual revelations while journeying with the enigmatic Mariner. We look forward to reading their creative writing which will detail the Mariner's perilous journey.

Our Y9s have begun work on the Argument and Persuasion unit; they will be learning how to make a series of convincing arguments in order to persuade their audience. Be prepared for much ferocious debate on why they should be allowed to go to that party, wear that skirt, skip that chore...(!)

Y10 have finished reading A Christmas
Carol and are now studying an assortment
of nonfiction texts in preparation for English
Language Paper 2. Students have read a range
of impassioned speeches, and have considered
what makes good writing. They are also
beginning to think about their Spoken Language
topics and they could learn a lot from our current
Y11.

Term began with Spoken Language Exams for

our Y11s. Students gave speeches on a range of compelling topics, ranging from affirmative action and apartheid in South Africa to drag balls of New York and their influence on Western culture. We were wholly impressed with the passion and eloquence with which students spoke on topics which were clearly meaningful to them. After finishing Romeo and Juliet, students have begun preparing diligently for their upcoming mock exams. Good luck!

Write for Rights Campaign

Emma Woods, Year 11

Earlier in December Ellie Heywood, Maya Gitsham, Phoebe Hope and I held a stall every lunchtime for Amnestv International's annual Write for Rights campaign. The campaign uses letter writing to urge for the immediate and

unconditional release of various human rights defenders around the world who have been imprisoned for their work or journalism. Special UK focuses this year included Nassima Al-Sada, a Saudi Arabian women's rights activist who campaigned for the right to drive in 2018. She has been in prison facing terrible conditions ever since.

Every lunchtime last week, students in Year 11 and Sixth Form had the chance to write cards to activists like Nassima, with a message of support and solidarity. Over 65 cards were collected and will be sent around the world to demand justice. It was really encouraging to see so many people getting involved with the action. Many thanks to Nabila Hafiz, Ava Vacarri, Martha Heydon, Cassia Bennett, Aaron Crook and Silas Allum for their hard work coordinating the Sixth Form stall.

Mr Lyons, Head of Year 11 adds, "This is another fine example of Year 11 playing their part in school life."

"Holding out for a Hero"

Congratulations to Miss Walker and her team of trusty helpers who have won Jack FM's Local Heroes Award for their contribution to the Wallingford

community during lockdown by providing 10,000 visors to keyworker and vulnerable groups. Well done!!

"Our fantastic Year 10"

This term we wanted to celebrate our amazing Year 10 pupils. Every year we are always impressed with the levels of enthusiasm and joy our Year 10 GCSE pupils show for our subject areas, but this year has been es-pecially special due to external influences. Despite hav-ing missed a large section of school at the end of Year 9 this year's cohort has started their GCSEs with a bang. Here are some photographs to celebrate what they have achieved so far...

A message from the school nurse service

Dear Wallingford Students,

I am still offering socially distanced face to face contacts in my office in the sports centre reception area. I normally work Mon-Friday 9-3pm, some days I have to be out of the office but please do leave me a note or send me a message. I know it's tricky to meet up or pop by due to the year group bubbles and changes to breaks. You can contact me by phone, email or ask for help from a parent or teacher.

OxWell School Survey Update

Researchers at University of Oxford would like to thank students and their families for supporting the OxWell School Survey 2020.

https://www.psych.ox.ac.uk/research/schoolmentalhealth

The results are being used to help understand how young people experienced the first lockdown and the impact on their mental wellbeing. Schools will soon be able to access anonymous online summaries of student responses from their own school, as well as being able to compare findings to the overall survey results.

The hope is this will help guide how best to provide any support that might be needed. They are also preparing a data tool so that students at school can access sum-maries of some findings. Please see their up-to-date information on the survey and how the data are used here:

https://www.psych.ox.ac.uk/research/schoolmentalhealth/parent-information-sheet-1

House Points Update...

As ever, our students have been busy earning lots of House Points across the curriculum for all sorts of wonderful reasons. We are incredibly proud of how many pupils have begun climbing the rewards ladder earning themselves badges as they reach each step.

It goes without saying that the competition between the Houses remains fierce. Every single point really does count in the race to become the Champion House for 2020/2021.

Here are the new rankings across the board and there has been a change in the lead...

Year	Bigg	Blackstone	Christie	Matilda
7	1st	4th	2nd	3rd
8	4th	3rd	2nd	1st
9	3rd	1st	2nd	4th
10	4th	3rd	1st	2nd
11	2nd	4th	3rd	1st
Total	3rd	4th	2nd	1st

A huge well done to all of those in MATILDA HOUSE this term, your hard work has shot you into first position at the end of term 2.

BRONZE AWARD

As mentioned above, more students than ever have reached the first step on the rewards ladder. Each of these students have earned 25 House points (or more!) since the previous Newsletter was published at the end of Term 1. This earns them their Bronze badge and certificate. Well done!

A huge CONGRATULATIONS to all of the students listed below. Keep up the good work and we hope to be celebrating more awards in the next edition.

Messages from the Heads of Year...

Mr Lyons, Head of Year 11

I have been so impressed with Year 11 in the last term. They really do have a tricky year to contend with, especially after the year they had during the first half of their GCSE courses. As expected they have not only taken the year in their stride, but have continued to go above and beyond with some of the work they produce. These pictures are a selection of Year 11 students' food exam final pieces. They look incredible. One of my favourite parts of my job is going into the food room when they are cooking and speaking to them all about their creations! (and of course trying some!).

I want to wish all of Year 11 and their families a really Merry Christmas. I hope you all get to spend some quality time with your extended families and a well-earned break.

Thanks, Mr Lyons

Mrs Pike, Head of Year 10

Year 10 - You Make Me Proud

It was the beginning of September, when all through the school, came Year 10 eager and willing to learn.

The classrooms were ready with care and attention, armed with sanitiser and spray and learning resources.

The young people were all tidy and fresh in their uniform, with a full stash of new stationery at the ready.

With a new Head of Year, they settled in their new courses and made an amazing first impression.

Whilst manoeuvring their first term as KS4, they quickly got used to the new routines and became Friday interform quiz superstars – Well done ACH.

With an awesome bunch of tutors and a sad goodbye to Mrs Bowyer, we have had quite a term

Now, MSI! now, EN! SV and SDO! On, ACH! on, SGI! On, DI, and JBO!

I wish all of you a merry HO! HO! HO!

Thank you to all Year 10 parents, teachers, the amazing Year 10 Form Tutor teams and most importantly an incredible group of young people. Have a lovely Christmas and see you in the New Year!

Mrs Pike

Mrs Burns, Head of Year 9

Hello Year 9,

As 2020 draws to a close and as we head into this festive period it is a time for reflection, not just of ourselves but an awareness of our friends, families, communities and society. The impact the pandemic has had on the economy, on health and isolation has taken a toll on us all and as we settle down for the break it is a chance to be mindful.

Many individuals have lost their businesses, their jobs and their source of income. So, before you ask for the latest phone or the latest fashion trend, don't forget to spare a thought for those of your age group who will go without this year, whose parents can't afford presents, whose loved ones can't get home or those that will be spending it alone, shielding.

2020 has been difficult but it has given us one great thing ... The chance to be mindful, a chance to reflect and an opportunity to change. 2020 will allow us to bring Christmas back to its fundamental principles. The chance to turn away from materialism, a chance for family to focus on the family, for parents and carers to focus on their children. And for us to appreciate what our loved ones do for us. The chance to be grateful for the warmth, shelter and care that you have, for many will go without all three this Christmas.

Wherever you are and however you will be spending it, I wish you all a very merry Christmas and I look forward to seeing you all afresh and ready in 2021.

Take care of yourself and each other!

Mrs Burns

Mr Choi, Head of Year 8

Dear Students, Parents and Guardians,

I hope this newsletter finds you well and looking forward to a well-earned rest over the Christmas period as it has been a very busy half-term! Students have completed their first batch of assessments, parents have received progress reports, and this was followed by our first ever virtual Year 8 parents' evening. We also managed to fit in a non-uniform day to raise money for the Aspire Charity and some very competitive and highly spirited house matches took place. With regards to the latter, it was great to see so many of you participate and it is lovely that this great tradition was still able to continue.

This term we focused on recognising stress as a natural response. By recognising signs of stress, e.g. increased heart rate or sweaty palms, you can learn to try to regulate your feelings, build resilience, or ask for support if you need it. I also want students to continue working on setting personal goals and targets, rather than comparing themselves to others. Hopefully by doing these two things students will have a growth mind-set and will be better able to look after themselves and their emotions.

Well done to students who have achieved Bronze and Silver awards in house points, you will receive certificates and badges in the New Year. During the holidays please enjoy your time with loved ones and take this time to recharge and come back ready for 2021.

Please take care of yourselves and 'Happy Christmas'.

Mr Choi

Ms Walker, Head of Year 7

Amazingly we are fast approaching the end of your second term here at Wallingford School already. Where has the time gone?

It feels like only yesterday that we were welcoming you into Year 7.

You have settled in so well and become such an integral part of the school it is difficult to remember a time when you were not part of our daily lives.

Everyone still arrives in the morning with a happy greeting, it is such a pleasure to see you all

The days are becoming shorter, darker and colder so now is a time, more than ever, to fully embrace every new learning opportunity. It would be so easy to think about the end of term and yet there is still a great deal that can be accomplished and learnt in the days ahead.

Every day is a learning day!

I try to find something new and different each day that I did not know the day before. A great question to ask yourself at the end of each day is: 'What have I learnt today?' Not what have I done, but what have I learnt! Challenge yourself to think about this every day, tell people at home something that you have 'learnt' and embrace each day as a learning opportunity.

We are so proud about how many of you continue to have 100% attendance. Attendance is so important to your overall experience of school but especially your learning experience. We look forward to awarding lots more House points to those with full attendance in Term 2 or those who have improved their attendance since Term 1.

We hope that you all have a fabulous Christmas break. It may not be quite the same holiday as you would have had in previous years but we do hope that you have a lovely time with the family and friends who are in your bubble.

We also hope that you have a relaxing holiday so that you return to school in January ready to embrace all of the opportunities that 2021 will offer.

From Ms Walker and the whole Year 7 Tutor Team - We wish you and your family a very Merry Christmas and a Happy New year.

A message from the Student Leadership Team...

It's been tricky for the Student Leadership Team to do everything that we planned to do this term. However, I for one am proud of what we managed to achieve.

At the time of writing we have raised a total of £1112 for Aspire from the non-school uniform day. To get people in the Christmas

spirit, as we approach an unusual one, we encouraged everyone to wear festive attire. So it was wonderful to see an assortment of jumpers, masks and everything else. We also ran a face mask design competition for which we had over 40 entries and the winners got some chocolate and a couple of the designs were printed and

worn by Mr Marston and some of the SLT, a big thank you to the art and textiles department for the help with that.

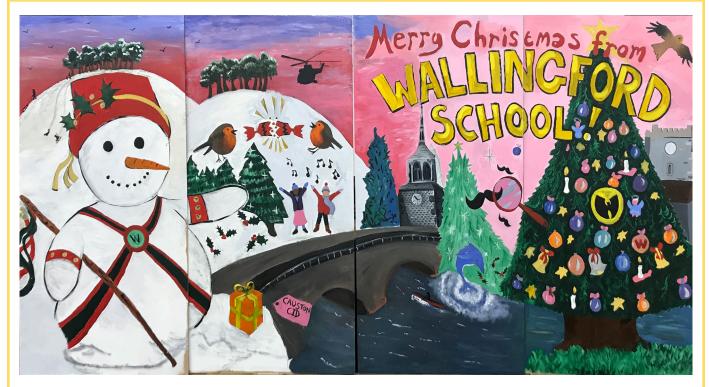

There were also various things as part of Sixth Form that we were involved in, including a Halloween dress-up day and the formation of a school garden. So we hope that some of this has made a strange term at the end of a strange year just a little bit more enjoyable for you all and hope to continue this in the forthcoming one.

"Christmas starts right here. Talented Year 12 artists worked tirelessly over 4 hours to create our Wallingford Christmas mural. Our <u>time-lapse video</u> documents the sheer physical effort and joy of creating a large-scale bit of Christmas spirit. How did they all work so well together in such cramped conditions?! The Art department feel proud and humbled. Thank you Year 12 artists!"

Mr Bowen, Head of Art

Are you dreaming of a little Christmas yumminess?! Why not get baking like our Year 10 GCSE Food group, who created some delicious festive treats this week! Merry Christmas everyone!
