Predictions based on the latest fine grade predictions.

Best Case: if all the '+' grades below convert, e.g 3+ become a Grade 4

Worse Case: if all the '-' grades drop down, e.g. 4- becomes a Grade 3

Most Likely: grades remain at current prediction, e.g. 4-, 4 and 4+ become a Grade 4

The Progress 8 figures are based on last year's estimates, which will be subject to change.
